From Sharon (modified from the Blackstone web site):

Route I 95 South to Route I 495 North to Exit 21B. Bear right onto
Hopkinton Road (actually, West Main, Hopkinton, High at various points, but
all the same road). Follow to end (approximately 5 miles) to set of lights at
Route 140, crossing to Maple Avenue. Continue to end, and turn left onto
Pleasant Street. You can't miss the large complex, but you may need to
park in the back of the school.

If you use intend to use School Street
as a short cut – be aware that there are
two School Streets on this route, and
people turning onto the first one have
accounted for most of the lost and
wandering Sharon teams at this
competition.
